BASEBALL MEN
READY FOR SCRAP
Rival Factions Due to Clash in
Butte Today.IS FIGHT FOR SUPREMACY
LUCAS AND MCCLOSKEY AGAINST
WILMOT, WILLIAMS, ROISE.

If all the reports coming out of the north can be depended upon as the true condition of affairs in baseball circles, there will be some things to talk about in Butte today.

President Lucas has been ordered to the north, and it is no longer a question of having a league, this matter being a settled fact, but rather a question of control of league affairs. The last two weeks have developed two strong factions and each faction is after the other's scalp. This trouble came about over Walter Wilmot and the Butte franchise and it is on this point that the fight will hinge today.

President Lucas and McCloskey lead the fight against Wilmot and for a time it looked as if this point would be won. Then it leaked out that they were after Williams of Spokane also, and Williams joined Wilmot in his fight against Lucas and McCloskey.

President Lucas then ordered the disruption of the Pacific National league and in doing so turned Roise, Williams of Spokane, and Boise. This new league is called the Northern league, and Roise, Williams and McCloskey in Butte and a new manager for Spokane, and Boise out of it all together. On the other hand, Wilmot, Roise and Boise together with Salt Lake claim the Pacific National league is still intact and that Lucas has no authority to disband the organization, and a fight will be made along these lines.

Lucas has received franchise rights in his new league from Secretary Farrell on the strength of his statement that the Pacific National league is disrupted, and he can carry his point and control the destinies of the organization. This franchise owners of the league think he cannot do and the show down will probably come today.

Should the franchise owners of the Pacific National league win out, Lucas will probably try to organize a new league, claiming he has protection, and the Pacific National league will lay matters before Farrell, claiming his protection on a misrepresentation.

From the fact that all this wrangling is good for the game, as it is that ever before, more interest in this year than ever before, it is hard to organize a league with four teams and now two leagues of six teams each are under way. However, it can be depicted that the two-league project will fall through, as the league will stand for any money business along this line. The conflict between the two leagues has the entire support of the fans of this city and which ever way the club goes the fans will fall in.

GIMLIN WANTS WILMOT.
Ogden Player Says He Is Best Man
For Job.

(Special to The Herald.)

Ogden, Jan. 20.—Frank Gimlin, the father of Ogden joining hands with the Pacific National league, has been getting back in the game again. Gimlin was written the directors of the Salt Lake club that he would prefer to play in Ogden this season to Salt Lake as he has a good position with the club and his family and does not want to leave the Junction city. He further states that he thinks Walter Wilmot is the best man obtainable to handle the Ogden team this year and his hands are tied as a man. The feeling up here among the fans is strongly in favor of putting a team in the league.

Selloff Whipped Again.
Kalamazoo, Jan. 20.—Dick Fitzpatrick got the decision over Otto Selloff of Ogden after fifteen rounds of desperate fighting tonight.Rooney Slaughters Boers.
Chicago, Jan. 20.—John J. Rooney, "the fight grampus," tonight thrashed three Boers in twenty-eight minutes and eleven seconds. The Boers had offered to wrestle Rooney until he agreed to throw ten of them in thirty minutes.MEXICAN HERRERA AND
MAURICE SAYERS DRAW
Milwaukee, Wis., Jan. 20.—Maurice Sayers of Milwaukee, and Aurelio Herrera of California fought a fast and furious draw before the Milwaukee boxing club and public.COMPANY D TAKES
ON WINNING STREAK
Company D won its first game of indoor baseball at the armory last evening by defeating the Signal Corps team by a score of 10 to 0. The captain of the latter, however, claimed his team was robbed of the game by the umpire, and he says he will protest it to the league president. Pitcher Peck of the company D team did great work, striking out over a dozen men during the contest. The line-up:

C. D. Position Signal Corps
Naylor C. Thompson
Peck P. Skidmore
Bockholt 2nd B. Eno
Alfrie 3rd B. Whitely
Hassing R. S. S. Bero
Folland F. B. Bero
Score by innings: 1 2 3 4 5 6 7 8 9
Signal Corps 1 2 3 4 5 6 7 8 9
Company D 10 11 12 13 14 15 16 17 18

"SLATS" DAVIS LANDS JOB
IN SOUTHERN LEAGUE
Portland, Ore., Jan. 20.—J. Ira "Slats" Davis, who has his application for a berth as umpire in the Pacific Coast league, has signed a contract as umpire manager for the Atlanta, Ga., club. While many think Davis playing days are over, he has in him the making of a great umpire. He knows every crook and turn of the game, and has the rules down by heart. The Coast league has not a player did umpire in allowing Davis to get away. President Lucas, who knows something about the game himself, said that Davis was the best umpire he had ever seen, and Lucas does not cast his recommendations about very freely. Davis was one of the regular umpires of the Pacific National league last season, and umpired a few games in the Coast league when McCarthy quit here in disgust.APPORTIONMENT OF FUNDS.
